Here's the FACT SHEET - and it is good to go although it would be good if someone proof-reads it.

Hi Lisa: I was just checking in on whether the formatting, etc. of the DB Fact Sheet had been completed. We would like to include it in our standard email correspondence to external stakeholders announcing our draft permit decisions on Monday (assuming we will be able to proceed after the briefing today).

I have attached the latest version of the Comm Strat showing the few revisions made this week in response to your (and others') comments. I still don't know if Darcy will have a chance to review it before Monday.

Thanks,

Douglas

Darcy: attached are the most current versions of these outreach documents for your review. The Fact Sheet includes a number of Key Messages from the Draft Communications Strategy. I plan to send out an updated version of the Strategy asap.
